## **HB 1755 - SB 1901**

March 17, 1997

**SUMMARY OF BILL:** Allows retired state employees with 30 or more years of service, regardless of age, to audit courses at state institutions of higher education without charge. Current law allows a person who is 60 years of age or older to audit classes free.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - Not Significant**

Since the majority of these employees are 60 years or older and are already allowed to audit courses, the number of additional persons brought in under this bill is not expected to be significant.
